RE: Dallas/Ft Worth SFPE – Del Holm Honorary Scholarships

Dear Rebekah Scrogum:

Each year the **Dallas/Fort Worth Chapter of the Society of Fire Protection Engineers** offers two \$1,500 scholarships to selected students who are interested in exploring a career in Fire Protection Engineering. Candidates for the scholarships must be accepted into your undergraduate FPST program for fall of 2015 and have either a cumulative GPA of at least 3.0 or score 600 or better on the mathematics portion of the SAT.

To apply for the scholarship, the enclosed *Application for Scholarship* form and essays must be completed and returned by **April 11, 2014**. Submittal of application by email is preferred, but US mail is acceptable. Recipients will be notified in early May. The funds will be deposited in a Bursar's account under the recipient's name for the 2015 fall semester.

Thank you for your assistance and please contact me at greg.willis@libertymutual.com if I can be of further assistance.

Sincerely,

Greg Willis
Scholarship Committee Chairman
