Dallas-Ft. Worth SFPE DFW CHAPTER

President and Treasurer's Annual Report

Mission

To define, develop, and advance the use of engineering best practices; expand the scientific and technical knowledge base; and educate the global fire safety community, to reduce fire risk.

Milne, Justin

Dear Friends,

In reflecting upon 2022 to 2023, it is impossible not to feel gratitude for each and every member of the Society of Fire Protection Engineers Dallas Fort Worth Chapter community. Your passion for fire protection engineering and dedication to the pursuit of excellence enables us to capture the SFPE mission. Without you, none of the accomplishments of 2022 – 2023 would have been possible. Some of these accomplishments are summarized below:

- Recognized as a model chapter in the engagement of young professionals
- Forging a pathway to reincorporated chapter status
- Increasing membership from zero to thirty members
- Average event attendance of 20+

To reemphasize, our accomplishments are shared achievements as we work towards capturing the vision, mission, goals, and objectives of the SFPE. Thank you for your invaluable contributions this year – please join us in celebrating our shared success!

Warmly Yours,

Fernanda Navarro, E.I.T.,

DALLAS CHAPTER SOCIETY ACTIVITIES

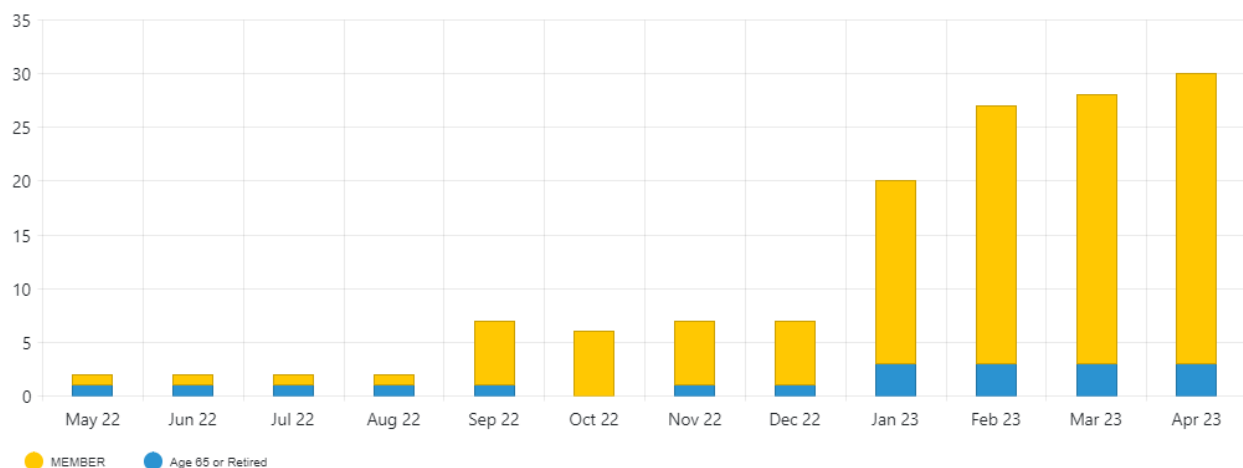

The past year SFPE DFW has been restructuring to capture its goal of achieving the mission of SFPE and being recognized nationally as a gold chapter. The leadership team has been coordinating with the board, national SFPE, and chapter members to ensure being on track for achieving this goal. Some highlights from the past year include:

- Increased event attendance
- Increased membership
- Increased financing
- Reincorporation of chapter status with IRS

The following pages highlight reports of this activity.
